A METHOD OF ISSUING A TICKET PAID FOR BY ILLEGAL PAYMENT
MEANS, AND A VENDING MACHINE AND A TICKET READER FOR
5 IMPLEMENTING THE METHOD

The invention relates to a method of issuing a
ticket paid for with illegal payment means during a
transaction between a user and a ticket vending machine
10 (10), at the end of which transaction the machine (10)
issues a ticket (28R, 28M, 46R, 46M) to the user in
exchange for payment using payment means, the machine
(10) including means for detecting illegal payment means,
and the method being of the type in which the transaction
15 comprises in succession:

- a payment step (E2) during which the user pays for
the ticket (28R, 28M, 46R, 46M) by using a payment means;
 - a checking step (E3) during which the machine (10)
checks that the payment means used are regular;
 - 20 • if the payment means are checked as being regular,
there follows a printing step (E4R) of printing the
ticket, during which a regular ticket (28R, 46R) is
printed on a blank ticket or medium; and
 - thereafter the method includes an issuing step
25 (E5) of issuing the ticket (28R, 46R) to the user;
- the method being characterized in that when the
payment means are checked as being illegal, the printed
ticket (28M, 46M) is marked in such a manner as to enable
the marked ticket (28M, 46M) to be distinguished from a
30 regular ticket (28R) during an inspection operation.
